The public is invited to take part in food and fun as Butte Properties unveils this new condominium community's floorplans, resort-level amenities, concierge services and customized finishes.

A \$50 million project, Easy Street will feature 44 luxurious, amenity-stocked condos ranging in price from \$600,000 to \$2,500,000. The 1,800- to 3,500-square-foot residences will be offered in 13

floorplans; courtyards and terraces with collapsing patio doors overlook Black Mountain, the green belt and Easy Street's second-floor pool and spa.

Located near Carefree Drive and Tom Darlington Road (Scottsdale Road), the project includes a clubhouse, second-floor entertainment deck, a fitness pavilion with steam and massage facilities, a climate-controlled wine grotto with private lockers, a heated pool and spa, wet bar and more.

Groundbreaking is planned for June 2016 with completion expected by fall 2017.
